

Employee Leave and Remote Work Policy

1. Purpose

This policy defines the general rules for employee leave, remote work, attendance, and approval procedures.

2. Annual Leave

Employees receive 24 days of annual leave per calendar year. Planned leave should normally be requested at least three working days in advance.

3. Sick Leave

Employees who are unable to work because of illness should inform their manager as soon as reasonably possible. A medical certificate may be requested for extended absence.

4. Remote Work

Eligible employees may work remotely according to their team's approved schedule. Employees must remain reachable during agreed working hours and maintain a suitable work environment.

5. Leave Approval

Leave requests must be submitted through the company's approved leave system. Manager approval is required before planned leave is taken.

6. Emergency Leave

For emergencies, employees should notify their manager or designated contact as soon as possible. The normal advance notice requirement may be waived when circumstances make advance notice impractical.

7. Policy Review

This policy is reviewed periodically and may be updated to reflect operational or legal requirements.
